**Sub: Consent for adoption of Munerkonda Village under Gopalpur Gram Panchayet for a period of five years, from 2021 to 2026.**

Respected sir,

I am pleased to inform you that your application for the "**Adoption of Munerkonda Village under Gopalpur Gram Panchayet for a period of five years from 2021 to 2026**", have been accepted. It has been decided in the Panchayet Samity Meeting that the said village may be granted to you for adoption for a period of five years.

Rajendra Academy for teachers Education is a reputed institution in West Bengal as well as in India. We are feeling proud on your initiative of adopting the village under the "Community Outreach Programme".

The Panchayet Samity selected this village as because the village is very backward in the sense of education, health & awareness. I firmly believe that your institution shall properly look after and organise this welfare programme with proper coordination with the villagers. The Panchayet Samity shall always stand by you.

On behalf of the Panchayet, I praise your welfare works in the society without any interest.

This adoption programme shall help the villagers and uplift their conditions with better prospects. I hope you maintain it properly as per your conditions.

Thanking you,

  
Prodhyan 08.09.21.
