Principal's Desk

**Prof. (Dr.)
B.C. Swain**

This institution seeks pleasure to state that the "Rajendra Academy for Teachers' Education" has stood above the rest in its approach to teachers' education. The ways teacher educate and the methods our trainee teacher learn unique and creative. Consistently, we have been contributing efficient teacher to the nation. The main aim of our esteemed institution is to develop competent, committed and efficient teachers in our college by imparting quality teachers' education. The institution has substantially contributed to the educational process of national development by providing quality teacher education and thereby enabling the trainee teachers to become globally competent. We have introduced the latest technology in

teaching learning process and aim at regular scrutiny of the quality of teaching and the innovative teaching. This will certainly go a long way in enhancing quality education in accordance with the mission and vision of the Rajendra Academy for Teachers' Education and in serving society at large with sensitivity and commitment. Institution feels happy when the bright and talented trainee teacher performs remarkably well. However, It makes me elated is when a weak trainee teacher from a rural background progresses steadily from poor performance to better performance level, moving towards excellence. Nevertheless, the college is trying to be humane in character. We seek the blessings and guidance of our stakeholders to make our dream come true. This is our honest appeal to you all to make optimum use of such golden opportunity to become a teacher in its true sense. I am sure that you all will achieve success in the endeavor.
